

# Thornbury Community Nature Reserve Registration Form

## Be part of something BIG - Join Thornbury's Community Nature Reserve!

This is a chance for us all to come together to support local wildlife and enhance our green spaces. Whether you have a garden, an allotment, or a window box you can take part by registering your wildlife-friendly space. Complete this form and return it to us, and we will connect you to the Community Nature Reserve. You can also complete this form online by scanning the QR code.

Is there anything else you would like to share about your green space?

Are there any areas of wildlife-friendly gardening you would like to learn more about (e.g, putting in a pond, planting for pollinators)?

## CONSENTS

We would love to receive and share photographs of your wildlife-friendly spaces. Do you consent to Thornbury Town Council using any photographs you share with us for communications, including social media, e-news, local press, website, annual reports and posters?

Yes/No

We would like to share our growing community nature reserve locations in order to show how we are doing and encourage more people to join in. Are you happy for us to put your space on a map of the community nature reserve?

Yes/No

I consent to my data being collected, stored and used in line with GDPR and the Town Council's Information and Data Protection Policy, which can be accessed at [www.thornburytowncouncil.gov.uk/policies-and-procedures/](http://www.thornburytowncouncil.gov.uk/policies-and-procedures/) \*
